CHILDREN AT APPOMATTOX PRIMARY SCHOOL celebrated Earth Day last week by cleaning up litter on the school grounds, in conjunction with the clean-up-Appomattox campaign.

Students clean things up

The slogan -- "Let's have a bash: Let's clean up our trash" -- was actively initiated throughout the Appomattox County Schools on Earth Day, April 22.

Students at the Appomattox Primary School and Appomattox Elementary School combed the grounds and buildings to aid in litter control.

Renee Harris donned her litter control costume, visited APS, and roamed the halls and cafeteria of AES searching for litter culprits.

Assisting Renee in the cafeteria were Margaret Megginson, Yolanda Trent, and Pattie Wright.

Pamplin Elementary School celebrated this special day with interior cleaning, Robin Miller dramatizing a litter critter, several students making litter sculptures, and third graders distributing litter bags to the faculty for their personal vehicles.

Numerous posters depicting reasons to keep litter in its place were displayed throughout the county schools. A special effort at the Appomattox Middle School included locker cleanups, lunch-room monitors, and litter posters. An assembly consisting of three skits, music by the chorus, two litter slogans, and a poem written by a student was presented during sixth period.

A bulletin board urging students to celebrate Earth Day with proper litter control was on display at the Appomattox County High School. Litter bags were placed on vehicles in the ACHS parking lot.

The environment was enhanced at AES with a delightful afternoon concert by the Lynchburg Fine Arts Center Orchestra. PES students also attended this concert. Musical notes floated from ACHS as an Army Band from Georgia gave an enjoyable performance on this special day. These activities served as a beginning of an extensive county-wide clean up campaign scheduled for May 18-25, 1980.

For Inspirations concert

Tickets still on sale

There are still tickets available for the **Inspirations** concert slated for this evening (Thursday) at 7:30 p.m. in the ACHS auditorium.

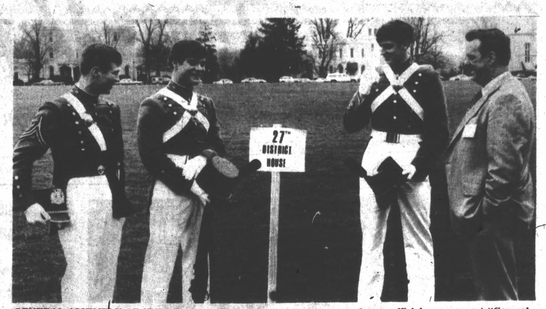
The popular gospel musical group has performed to capacity crowds in Appomattox in previous years.

Tickets are on sale at the Dairy Queen restaurant and at the Appomattox Drug Store.

School board to meet

The Appomattox County School Board will meet in regular session on Thursday, May 8 at 3 p.m. in the school board office.

Items on the agenda include: consideration of policy regarding high school completion, a report on the response to a summer school program for elementary school students, a report on a technical assistance study of the Appomattox Middle School, a review of bids for the installation of carpet on the main corridor of the middle school, a report on the committee to develop guidelines for conducting field trips, and the regular monthly reports.



GENERAL ASSEMBLY AT VMI - Governor John N. Dalton, legislators, and state officials were recent "General Assembly Day" guests at Virginia Military Institute in Lexington. Visiting the state-supported Institute, the last classic military college in the nation, was 27th district delegate Claude W. Anderson, who met with constituents from his area (from left) Cadets Leonard C. Shelton, Jr., and Appomattox natives Edward Bower and John A. Mathews.

Celebration set

The White Oak Grove Gospel Chorus will be celebrating their 4th annual choir festival the first Sunday, May 4, 1980, at 3 p.m. at the church.

All are invited to come out and worship with them, and help make the program a success.

SAT tests slated for Saturday

Area students preparing for college admission will be taking the Scholastic Aptitude Tests on Saturday, May 2, with testing centers for this area located at E. C. Glass High School and Virginia Episcopal School.

Students should report to the center by 8:30 a.m. and should present the admission ticket which was returned after filing an application to take the SAT.

Juniors should also file an application to take the College Board Achievement Tests to be given on Saturday, June 7. Testing centers will again be located in Lynchburg Area Schools, and the applicaiton which may be secured from the ACHS Guidance Department must be postmarked by Friday, May 2, in order to avoid a $5.00 late fee.

Students should register for three achievement tests: English Composition, Math Level 1, and the third according to requirements of the particular college choice of the student. Guidance Counselors will be available to answer questions and assist in completing the applicaiton.
